## SumiRiko Ohio 35<sup>th</sup> Anniversary

As we approached our 35th anniversary celebration, we celebrated 35 years of community with Bluffton, Ohio! In honor of our SRK Ohio families and the Bluffton Community, President Shimizu announced the offer of a portion of our land to be used for youth soccer. Mayor Johnson presented our company with a plaque to show the community's appreciation and support for SRK Ohio for the past 35 years. We look forward to many more years of partnership with our community!

SRK family and friends celebrated our company's 35th Anniversary April 25, 2023! We are lucky to have so many amazing people who are not only invested in the success of the company but also making it a great place to work. SRK associates, you are very much appreciated!
